**Boyd's Testimonial Dinner OUT OF TOWN** 

As a member of the Cooks and Waitresses Union Local #461, I can say truthfully that some members of our local are, to say the least, disappointed at Mr. Boyd for the way he has treated us. How inconsiderate can a man be? Why did Mr. Boyd, not only have his testimonial dinner out of town, but clear out of the County? We, in Granite, not only have the space but the personnel to handle any crowd or amount of service Mr. Boyd needed.

Even before election, he is already pushing union people aside. Is he that sure of being elected? If so, perhaps he had better get his support from the political machine only and forget the union-or does that come after election?

The banquet scale in our local is only \$8.20 for four hours. If 50 waitresses and 20 cooks are needed (and we can get them in Granite) then this amount has been taken from the purses of our local girls by this great union leader. Besides this, look at how much money will be spent on food and drinks that our business people lose. How could he be so insulting to the very people whose interests he is supposed to serve?

Unfortunately too many civic leaders in Granite follow this practice. They take our money and spend it out of town.

I, therefore, ask all cooks and waitresses to vote for Mayor Partney, and hope all union members give Don Partney their support, too.

Mary Mortenson

OPEN SAT. 'TIL 5:30 P.M.

DAYS! SALE ENDS Monday at 8:30 P.M.

Every year as of April 1st we must fill out a Personal Property Tax Schedule on every item in our huge store and warehouse inventory, just as you do on your own personal property.

For this reason we've decided to take mark downs on all merchandise in our inventory that is 3 months old or older and sell it out prior to April 1st during our Annual Personal Property Inventory Reduction Sale. We hope to accomplish two things by cutting prices like this. First of all we hope to reduce our inventory and therefore cut our tax bill. Secondly, we hope to make room for all the new spring merchandise that is now beginning to come in.

Listed below is only a partial inventory stock list . . . thousands of other items are on sale but not listed . . . check the lists and then hurry in to see the many items not mentioned . . . quantities are limited. All items subject to prior sale.

# Pendleton, Stevens In **Contest For City Clerk**

# To Elect Mayor, Treasurer, Clerk, **Eight Aldermen**

Voters going to the polls in Tuesday's municipal election in Tuesday's municipal election in Granile Cily will find contests for every city office subject to election, including aldermanic posts in all seven wards. In addition, Granite City with proposal to reduce the size of the Granite City council by eliminating one alderman from each of the city's seven wards. To ballot on the proposition, voters will receive a separate blue range of candidates will be white.

**ALDERMEN'S QUESTIONS** 

Do you favor continuation of the storm water pro-gram to further separate storm water and sanitary sewage?

Would you encourage expansion through a clearer policy on annexation and municipal services in fringe areas?

4. Would you strive for im-provement of traffic con-trols and off-street park-ing?

5. Do you favor competitive bidding on all purchases?

6. Do you favor a full-time city engineer, paid on standards recommended by the Illinois Society on Professional Engineers?

Would you try to achieve uniform city - township polling places?

wards.

The special referendum proposing that ward representation be reduced from two to one alderman in each ward in Granite City is being opposed by Second Ward Alderman Samuel Whitmer.

Samuel Whitmer.

Whitmer, whose term will not expire until April 30, 1971, noted that Graville City recently redistricted from eight to seven wards, and as result, the area which an adderman represents much larger.

"As the office is a part-time." As the office is a part-time of the control of the control

Whitmer continued: "We talk about the necessity of having an independent mayor. I most wholeheartedly agree, but this also holds true for the city council.

## Controlled Council

Controlled Council
"It is much easier to have a controlled council with seven members than with 14. I believe that a free and independent council is a must. It would be a sad day if we ever lost this.
"Just to the south of us along the river there is such a city. We all can see the results."

We all can see the results."
Whitmer agreed that the city
could save money by having
just one alderman per ward,
but said "there, would be a
small savings."
"I think it should be explained how an alderman's galary is established. It is set by
saite statute, and the maximum
salary permitted for an alderman in a city our size is \$75
per meeting.

# Maximum Refused

Maximum Refused
"Our city council has refused
the maximum, and two years
ago, by ordinance, set the aldermanic salary at \$50 per
meeting. This could easily be

Whitmare concluded: "I he

BOYD PRESLEY

Kovalik said he seeks election because, "I want to give the people of the Sixth Ward to the people of the Sixth Ward deserve and I will do my utmost to reach this goal. My pledge is to serve everyone to the best of my ability.

### "GRANITE CITY PUBLIC"

Don't Be Misled ... VOTE NO!

Certain people are asking you to vote "yes" to reduce the number of Aldermen on the City Council in Granite City. This means one Alderman per ward. They say this will save you money. This is not true, this can cost you money. Senate bill #211 provides that an Alderman may receive \$75.00 per meeting — which means \$225.00 per month or more. To properly take care of all the City business it probably would be necessary for the meetings to be doubled or perhaps tripled. A vote yes will also eliminate any and all shift workers from the Granite City Council. This is not fair to the working people in Granite City. A vote yes means also that the Mayor and four Aldermen will control Granite City.

REMEMBER EAST ST. LOUIS!!... VOTE NO

### FORMICA-TOP TABLES

Subtle proportions and gently sculptured detail mark this Danish-inspired design. Practical, too, stains, scratches, spills can't hurt! Oiled walnut finish, choice hardwoods

at an \_ amazingly low price

includes double dresser, mirror, shest and headboard

Here is the look of sophisticated contemporary—with a fantastically luxurious new effect of cathedrals and burls achieved by modern machine graining on white tupelo veneers and cabine thardwoods. Brass finish pulls add to the expensive look. And Triumph is made by furniture craftsmen—with attention to every detail that means you'll enjoy this new group for years to come. Come see this marvelous modern—as we say, you'll really be amazed!
